

GM's Message

With this issue of CTC Times we are shifting to a monthly newsletter that is short and brief as well as economical. We plan to continue this monthly format during 2011 and the years to come.

Now back to business, as we have just recently concluded the business plan presentation to our Group Shareholders and CEO. I look forward to a very positive year that will be marked with growth and development of the new businesses.

Good luck & best regards.
